## *Conditions of Sale*

---

[1]

All bids are to be PER LOT as numbered in the catalogue.

[2]

The highest bidder to be the buyer. In all cases of disputed bids the lot shall be resold, but the auctioneer will use his judgment as to the good faith of all claims, and his decision shall be final.

[3]

Any bid which is not commensurate with the value of the article offered, or which is merely a nominal or fractional advance, may be rejected by the auctioneer if in his judgment such bid would be likely to affect the sale injuriously.

[4]

The name of the buyer of each lot shall be given immediately after the sale thereof, and when so required, each buyer shall sign a card giving the lot number, amount for which sold, and his or her name and address. ¶ A deposit at the actual time of the sale shall be made of all or such part of the purchase price as may be required. ¶ If the two foregoing conditions are not complied with, the lot or lots so purchased may at the option of the auctioneer be put up again and resold.

[5]

The property passes upon the fall of the auctioneer's hammer, and thereafter the property is at the purchaser's risk, and neither the owner nor the Company is responsible for the loss of, or any damage to any article by theft, fire, breakage, however occasioned, or any other cause whatsoever.

[6]

Articles not paid for in full and not called for by the purchaser by noon of the day following that of the sale may be turned over by the Company to some carter to be carried to and stored in some warehouse until the time of the delivery therefrom to the purchaser, and the cost of such cartage and storage and any other charges will be charged against the purchaser, and the risk of loss or damage occasioned by such removal or storage will be upon the purchaser. ¶ In any instance where the bill has not been paid in full by noon of the day following that of the sale, the Company reserves the right, notwithstanding any stipulation in these conditions of sale to the contrary notwithstanding, in respect to any or all lots included in the bill, at its option, either to cancel the sale thereof or to resell the same at public or private sale without further notice for the account of the buyer and to hold the buyer responsible for any deficiency sustained in so doing.

[ ]

[7]

Unless the sale is advertised and announced as an unrestricted sale, or a sale without reserve, owners reserve the right to bid.

[8]

All books are sold as catalogued, and are assumed to be in good SECOND-HAND condition. If material defects are found, not mentioned in the catalogue, the lot may be returned. Notice of such defects must be given promptly and the goods returned within ten days from the date of sale. No exceptions will be made to this rule. Magazines and other periodicals, and all miscellaneous books arranged in parcels, are sold as they are, WITHOUT RECOURSE. ¶ All Autograph Letters, Documents, Manuscripts and Bindings are sold as they are, without recourse. The utmost care is taken to authenticate and correctly describe items of this character, but neither the owner nor the Company will be responsible for errors, omissions or defects of any kind.

[9]

Buying or bidding by the Company for responsible parties on orders transmitted to it by mail, telegraph, or telephone, if conditions permit, will be faithfully attended to without charge. Any purchases so made will be subject to the foregoing conditions of sale. Orders for execution by the Company should be given with such clearness as to leave no room for misunderstanding. Not only should the lot number be given, but also the title, and bids should be stated to be so much for the lot. If the one transmitting the order is unknown to the Company, a deposit must be sent or reference submitted. Shipping directions should also be given.

[10]

All articles sold will be subject, in addition to the purchase price, to the New York City Sales Tax to be paid by the purchaser, unless the purchaser delivers to the Company the requisite certificate that the article was purchased for re-sale.

[11]

The Company will afford every facility for the employment of carriers and packers by the purchasers, but will not be responsible for any damage arising from the acts of such carriers and packers.

[ THESE CONDITIONS OF SALE CANNOT BE ALTERED  
EXCEPT BY AN OFFICER OF THE COMPANY ]

OF PRIVATE COLLECTIONS

APPRAISALS. The American Art Association-Anderson Galleries, Inc., will furnish appraisals, made by experts under its direct supervision, of art and literary property, jewelry, and all personal effects, in the settlement of estates, for inheritance tax, insurance, and other purposes.

Upon request the Galleries will furnish the names of many trust and insurance companies, executors, administrators, trustees, attorneys, and private individuals for whom the Galleries has made appraisals which not only have been entirely satisfactory to them, but have been accepted by the United States Estate Tax Bureau, the State Tax Commission, and others in interest.

CATALOGUES. The Galleries is prepared to supplement this appraisal work by making catalogues of private libraries, of the contents of homes or of entire estates, such catalogues to be modeled after the intelligently compiled and finely printed sales catalogues of the Galleries.
